

Condemnation against the Danish Government

AlMujtaba Islamic Network condemns and rejects the insulting and racist cartoons published in Danish newspapers. We condemn the Danish government's pride and support for the racism against Danish Muslims and other Muslims all over the world.

The freedom of expression does not mean and will never mean that the media or the people start insulting and humiliating fellow citizens, there is a limit for everything. In Denmark and Norway, under the support of their governments, the media is creating hate against Muslims by insulting the Prophet of Islam, Prophet Muhammed (peace be upon him and his progeny). **Prophet Muhammed (peace be upon him and his progeny) is our love, honor, and identity.** We Muslim will defend the honors of our religion, our holy book, Qur'an, our beloved, Prophet Muhammed (peace be upon him and his progeny), and the Ahlulbayt (AS). Muslims will not allow people to humiliate them in the name of freedom of expression. We respect the beliefs and the heroes of other religions and we expect the same from the followers of the other religions or ideologies.

AlMujtaba Islamic Network urges all freedom lovers, scholars, intellectuals and academics, and Muslims in any part of the world to boycott Denmark and Norway products and if the governments of these countries continue supporting such racist media then the Muslim governments and the Muslim population have every right to find the alternatives and **boycott the Danish and Norwegian products.**

Below, you will find a list of Danish products that we ask you to boycott.

Another reminder, All Danish products' serial numbers start with the number 57 from the left. Read the serial number before buying their products.

We would like you to read the statement of His Eminence, Grand Ayatullah Sayed Ali Al-Husaini Al-Seestani (HA) regarding the issue concerning the insult by a Danish newspaper to the Holy Prophet (may God bless him and his progeny)...Click here to read the statement
